Frank,

We have reviewed and approved your property manager pre-licensing education course. This approval is valid until 7/29/2024 based on the current IDECC approval. If you receive an updated IDECC approval prior to 7/29/2024, please forward a copy to the board and the approval for this course can be extended up to 8/20/2024. All pre-licensing course approvals may be changed or revoked by the Board for cause.
