# Essentials of **REAL ESTATE** Finance

## FOURTEENTH EDITION

*Essentials of Real Estate Finance* is a classic text that has trained over 100,000 real estate professionals. With accessible language and plenty of examples, illustrations, and other learning tools throughout each chapter, this exciting new edition provides in-depth and easy-to-understand coverage of the real estate finance industry.

### FEATURES:

- In Practice and For Example sections throughout each chapter help you connect the principles in the book to real-life scenarios.
- Chapter review questions with answers and detailed rationales in the back of the book allow you to quiz yourself and measure your understanding of the material.
- Key terms at the beginning of each chapter and chapter summaries at the end keep you engaged and help you focus on the most important information.
- A comprehensive glossary provides definitions for every key term in the book.
- Internet resources at the end of each chapter direct you to the best places to find more information online.
